FALL-WINTER 1989

## Consortium of Donors Issues \$100,000 Challenge

A consortium of donors has challenged Avila's alumni and friends with a \$100,000 challenge grant for the Avila Annual Fund. To meet the challenge, \$300,000 in unrestricted money must be contributed to the Annual Fund by alumni and friends by June 30, 1989.

Members of the Donor Consortium Challenge are Andrews and McMeel, Ken and Claudia Bergeron, J.E. Dunn Foundation, The McGee Foundation, Mrs. G.M. Mulhern, and Parker B. Francis, III Foundation.

Dr. Larry Kramer, Avila president, said "This \$100,000 Donor Consortium Challenge, together with the \$50,000 Steer Dinner Challenge (see related story on this page) will enable Avila's friends and alumni to have their gift dollars

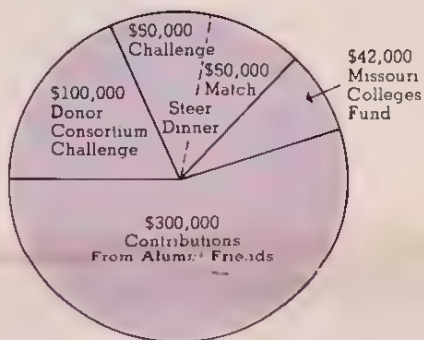

matched during 1989. Since the Annual Fund supports the vital day-to-day operations of the total campus, faculty, staff and students will all benefit from the generosity of these donors."

This will be the second consecutive year in which a \$100,000 challenge grant has been secured to support the Avila Annual Fund. Last year, Avila's alumni and friends responded to the \$100,000 Goppert Challenge by increasing donations 32% over the previous year. The number of gifts to the Annual Fund increased by 61% and the number of first-time alumni donors increased by 31%.

The advancement office will conduct a direct mail and phonathon campaign on behalf of the Avila Annual Fund.

## \$50,000 Challenge Sparks 13th Annual Steer Dinner

"Thirteen is going to be a lucky number for the 1989 American Royal Steer Dinner," according to Pat Martin, director of development. "We're ahead of schedule in our planning and fund raising," Martin said, "and we're especially grateful to the five donors who have pledged \$10,000 each to issue a \$50,000 challenge to guests and bidders."

The five \$10,000 Steer Dinner Challengers for 1989 are Kathleen Borserine, Edna and Jack Bear, Mary Beth Meyers, Philomena Muntzel, and Dorothy Whitfield. Total proceeds from the dinner and auction will be used to match the \$50,000 challenge.

"Our goal is to top \$100,000 for the second year in a row," Martin said, "and with this generous boost, we're already halfway to that goal."

Edna and Jack Bear, long-time supporters of Avila's steer dinners, (pictured at right) have been named honorary co-chairpersons for the 1989 dinner.

Avila's first American Royal Steer Dinner was held in 1977 when a syndicate of benefactors purchased "Jimmie C" the American Royal Grand Champion Steer for the college. The syndicate included Henry Bloch, Robert Boyle, John Latshaw, George Powell, Jr., and Gordon Wells.

## Advancement Update

• **YOU ASKED FOR IT!** Look for it in 1989! This winter you will be invited to be part of Avila's new Alumni Directory to be produced by Bernard C. Harris Publishing Company. We hope you will fill out the form you receive and return it. When the directory is complete, you will be given an opportunity to order one. There is no obligation and only Avila alumni will receive the directory.

• The Annual Fund Phonathon will be from January 30 to February 9, 1989. If you have not made a gift to the Avila Annual Fund since July 1, 1988, you will receive a call from an Avila friend seeking your support.

• **Winners abounded** at the Alumni Association's Fifth Annual Golf Classic at Leawood South Country Club. The September 19th benefit for student scholarships brought the total raised for the tournament series to over \$28,000.

• **Congratulations to Friends of the Library!** By increasing annual dues contributions by over \$2,000 in 1988, the organization successfully matched a \$2,000 challenge grant from the Wrenn Insurance Group.

• **Volunteers are needed** for the Annual Fund Phonathon! If you can lend your enthusiasm (and voice) for an evening of telephoning in the advancement office, please call Richard Scott, 942-8400, ext. 327 and sign up. It's actually fun and all for a great cause — Avila's Annual Fund!

## Avila Heritage Club Recognizes Planned Giving

The Avila Heritage Club has been established to recognize alumni and friends who have made provisions for a planned gift to Avila College. "We are proud of our past and have created a planned giving program to ensure Avila's tradition of excellence for future students," said G. Richard Scott, Avila's director of planned giving. "The greatest benefit for the Avila Heritage Club member is the satisfaction received from knowing future students will be enriched by their provision for a planned gift to Avila College," said Scott.

Planned gifts include bequests through wills, insurance and unused retirement funds which can reduce future estate tax liabilities. Life income plans such as annuities and trusts are planned gifts which provide immediate income and tax benefits to the Avila Heritage Club member.

Property such as real estate and stocks which have increased in value are subject to capital gains tax when sold. These taxes are obviated when the property is donated to Avila College and the donor will receive tax credit for the gift at its increased value.

Gifts of real estate and personal property will provide income to the donor from assets which are non-revenue producing. The donor may choose to reside in the residence for life while receiving tax benefits from his/her future gift.

For further information on how to plan a gift for Avila College, contact G. Richard Scott, director of planned giving.

## New V.P. Appointed Grant Thomas to Head Advancement Team

A new vice president for advancement has been named to direct Avila's fund-raising program. Grant T. Thomas comes to Avila with over 25 years of fund-raising experience in higher education. He has conducted successful campaigns creating funds for capital improvements and increased endowments.

Under his leadership as senior vice president for Oklahoma City University, the college won two awards for improved alumni support from the Council for the Advancement of Education. The endowment for Baker University increased 43% while he was vice president for development. "Grant's past experience with the Kansas City giving community enhances his ability to direct Avila's fund-raising efforts," said Avila President Larry Kramer.

Thomas earned his B.A. degree in political science from the University of Iowa. He pursued graduate studies in sociology at the University of Iowa and in business and personnel at the University of Colorado.

## Enrollment Increase Indicates Trend For Future

The fall of 1988 marks a significant turning point in the full-time student enrollment trends of Avila College. While official figures are yet to be compiled by the registrar's office, early indications are that full-time enrollment has increased 6% over the fall of 1987, and part-time and graduate enrollment remains strong and steady. The increases in enrollment this fall, and the increased pool of prospective students in contact with the admissions office indicate a new trend in moderate and controlled growth over the coming years.

"The increase in first-time full-time students is even more impressive than the total enrollment indicates," according to Thomas Lease, vice president and dean for student affairs. "We are experiencing a strong increase in new students this year, as well as an improved retention rate for continuing students. These two factors indicate our health and vitality both today and for the future."

The college is also pleased with the composition of the new full-time student body. Of the 180 new freshmen and

transfer students, 31% are men, 42% are Catholic, and 16% represent ethnic minority groups. The rich diversity of the incoming students reflects the mission and philosophy of the college and adds to the stimulating environment necessary for an exciting liberal arts campus.

"This fall's enrollment growth is a reflection of the groundwork laid by a dedicated staff in the admissions office during the past year and the cooperative efforts of the entire campus," James Millard, director of admissions explained. "The recruitment and enrollment process is one which covers a working span with individual students of 18-24 months. The experienced counselors in admissions are seeing the fruit of their labors over the past two years, and have done considerable work with prospects for the fall of 1989."

The college is planning for continued growth during the coming years, with strong emphasis on the academic preparation of its students, as well as their interest and commitment to a "holistic" education at Avila.

## Judge Edith Messina Honored As Outstanding Alumna of the Year

Judge Edith Messina, Division 12, Circuit Court of Jackson County, was named Outstanding Alumna of the Year for 1988 at Homecoming observances on October 2. In citing Judge Messina, Dr. Kramer, Avila's president, noted her contributions to the college and community. "Her strength of character was recognized by her peers at Avila when they elected her student body president in 1966 and she has continued to reflect honor upon both herself and Avila," Dr. Kramer said.

The honoree graduated from Avila with a B.A. degree in English literature. After serving two years as a teacher with the Peace Corps in northern Nigeria, she attended the University of Missouri Kansas City School of Law where she earned a juris doctorate degree in 1974. She served seven years as staff attorney for the Jackson County Public Defender's Office.

In October 1984, Governor John Ashcroft appointed Judge Messina to the Circuit Court — the first woman judge to be named in the 16th Judicial Circuit.

Judge Messina is the second recipient of Avila's Outstanding Alumni Award. Last year's honoree was Nancy Barr, Class of '73.

Judge Edith Messina receives plaque from President Kramer.

Deborah Mossinghoff (pictured center) is a 1988 Avila graduate. She is now attending the University of Kansas Medical School.

## Reflections

Deborah Mossinghoff is a 1988 Avila graduate. She is now attending the University of Kansas Medical School.

When students do well academically, they receive much attention or credit. But equal attention should be given to the significant people in students' lives who make these achievements possible. Avila's student body is diverse and so are the people who provide them with support and encouragement.

For traditional students, it is often the parents who deserve special thanks. It takes commitment and sacrifice to provide a child with a college education. Parents do this with love, and their pride in their children's accomplishments is unmistakable.

For non-traditional students, like me, it is often our spouses who deserve to be recognized. There are husbands who keep homes and families in some semblance of order through yet another semester of midterms and finals. There are wives who are patient through yet another semester of evening classes. I often joked that, after I graduated, one degree should be mine and the other should be my husband's. There is more reality than humor in the thought. Without his support and encouragement, I would never have graduated, much less be continuing my education in medical school this fall.

Finally, recognition is owed to the faculty and staff of Avila College. Their doors are always open and they are ready to listen and help in any way. I have attended several schools, both large and small, over the course of my college career and have concluded that the people at Avila are a terrific resource. Their caring, concern and dedication are advantages not found at most schools.

I could list others who provide students with the drive to excel — our children, friends, grandparents. Everyone has that someone special. The important point is to acknowledge the contributions of these people. There may have been times that we have forgotten to thank them and say how much we love them for helping us to reach our full potential. So when the students are recognized, it is good to remember that there are others who also deserve credit.

— Deborah Mossinghoff

## Enrichment Travel Trip to Mexico

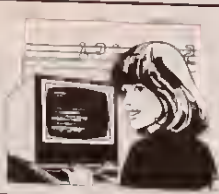

Avila gives students, faculty, staff, alumni and their families the opportunity to travel abroad through the Enrichment Travel Program. The first trip scheduled is to the Yucatan Peninsula of Mexico including Merida, Xel-Ha, Akumal and Cancun. Participants will leave Kansas City on May 15, 1989 for 8 sun-filled days. Stops at an anthropological museum in Merida, a serene lagoon for snorkeling and scuba diving in Xel-Ha, a modern resort on the Caribbean in Akumal, the Mayan Village in Chichen Itza, the beautiful beaches of Cancun, and much more are included.

This travel opportunity will provide fun, excitement and intellectual stimulation. Academic credit can also be obtained through the appropriate department.

For further information on tour, reservation deadline and cost, please write or call the academic dean's office, 942-8400, ext. 208.

# PRESIDENT'S REPORT AND HONOR ROLL OF DONORS

7/1/87 — 6/30/88

Dear Friend:

These are exciting and challenging times for Avila College.

**Exciting** . . . because, as this Honor Roll of Donors attests, we have just completed a successful year of fund raising . . . **exciting** because enrollment is increasing . . . and **exciting** because, this year, Avila earned continued accreditation by the North Central Association in a report which praised Avila's faculty, staff and students!

**Challenging** . . . because competition for both students and philanthropic dollars has never been tougher. Private colleges like Avila must find creative ways of attracting new students and of making up the difference between the tuition they pay and the actual cost of their education.

Because of the loyalty and support of friends like you and other donors listed in this Honor Roll, Avila is meeting this challenge. In doing so, we are securing the future of quality education in the tradition of the Sisters of St. Joseph for our students today, and in the years to come.

All of us at Avila wish you and yours a Merry Christmas and a New Year filled with promise.

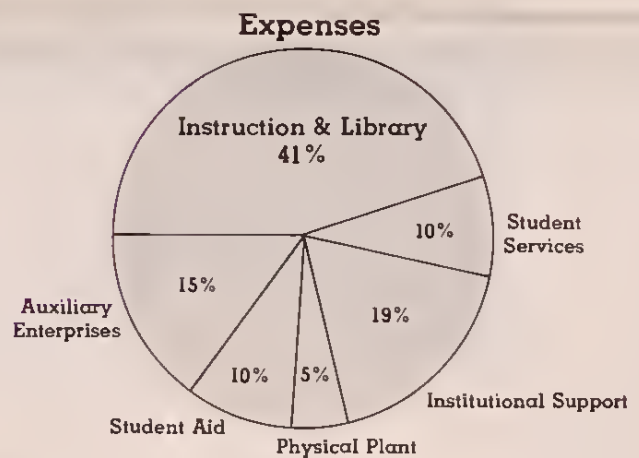

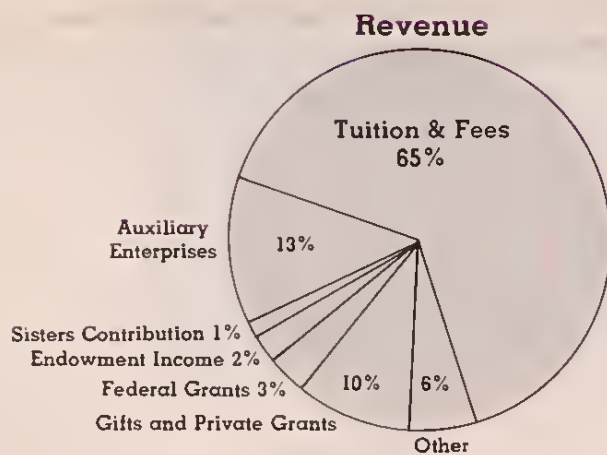

Thank you for your investment of faith and resources.

Sincerely,

*Larry Kramer*

## PRAYER OF ST. TERESA OF AVILA

Let nothing disturb you.  
Let nothing frighten you.  
All things are passing;  
GOD only is changeless.  
Patience gains all things.  
Who has GOD wants nothing.  
GOD alone suffices.

# OH! WHAT A DIFFERENCE!

by Sister Rose Anthony

Twenty-five years ago Avila College was a melee of mud and corn helds. Today it is a beautiful 50-acre campus with nine serviceable buildings blended tastefully into the terrain with the chapel and convent in the center — a joy to view from any chosen prospective. Faith in God plus hard work channeled toward a worthwhile goal were combined to make Avila the fine college for men and women in South Kansas City of which so many current students and zealous alumni are justly proud.

At Convocation '88 on August 23, following the speeches of the student government president, the chairman of Avila's board of trustees, and the president of the college, suddenly Goppert Theatre was darkened. Music of intense joy was heard, and a large birthday cake topped with flashing sparklers was rolled onto the stage, ushering in the beginning of a year's remembrance of Avila's silver jubilee on this campus. Acting on the invitation of the academic dean, each of six sisters who had been with Avila twenty-five years ago, plus an alumna representative from the Class of '63 who had participated in the parade from old campus to the groundbreaking ceremony of the new, was led through the darkness to the podium bathed in light to tell in "two minutes or less" what she remembered from that quarter of a century ago. It was, in the opinion of the program director, "the best entertainment we have had on this campus."

To mention a few salient points: change of the name from "The College of St. Teresa" to "Avila", thus retaining the great saint and scholar as our patroness; working through hardships and inconvenience to more workable facilities, thus providing for physical expansion and increased enrollment; changing from all women to a

A highlight of the 1988 Homecoming Weekend was provided by six of the Sisters of St. Joseph and an alumna who offered "Silver Anniversary Reflections" on the college as they remembered what it was like at Avila 25 years ago.

There were many laughs and a few tears as special moments were shared by Sister Olive Louise, Sister Rose Anthony, Sister Ann Dominic, Sister Margaret Reinhart, Sister de La Salle, Sister Marie Georgette and Terry Beth Mayer Lewerenz (Class of '63).

coeducational community; opening graduate programs in business, education and psychology; broadening of student services, including campus ministry, counseling, and college skills — all directed toward maintaining the best possible educational experience for all Avila students.

Sister Olive Louise spoke of the passing of the torch of the presidency from Sister Mary Daniel to her to Dr. Larry Kramer. Sister Marie Georgette observed that hardships were of no concern because "we wanted to build a great college." Terry Beth Mayer Lewerenz '63 gave a moving

account of the excellent education she received twenty-five years ago, with a plea that this caliber of preparation for life must be continued in the Avilan tradition. Sister Margaret Reinhart led her listeners through early experiences in the art department and in resident student life, commuting, as the students did, from old St. Joseph's Hospital's living quarters to new Avila campus. Sister Ann Dominic spoke of her many-faceted role as coordinator and instructor in mathematics, bookstore manager, and food provider, when all ate by the light of a single, hanging bulb in a dark corner of lower level O'Rielly, where one food was practically indistinguishable from another. I spoke of the oratory of Mayor H. Roe Bartle at the groundbreaking ceremony, as he exclaimed, with all the fervor of every one of his 300/350 pounds, "These Sisters have given their life blood to this college." Sister M. de La Salle told of the white dust that necessitated her washing her shoestrings very often to bring them back to their original black color and of the owl that, because of the glazer strike, easily found his way into Avila's academic buildings and would not be displaced. All this and much more, was related in ways that only Sisters of St. Joseph of Carondelet who had lived through those pioneer days could relate in all their pristine grandeur.

Under God, we have come a long way, but, using present candidate terminology, we trust, God willing, "the best is yet to come." We could have worked just as hard and had nothing to show for it. All praise, glory, and honor be to God, Who has led us to this day! It is our fervent prayer that, under the guidance of the Holy Spirit, we may bring to our students and all with whom we come in contact the faith, hope, love, and peace so needed in today's world.

## Ten Outstanding WLI Graduates Receive "EXCEL" Awards

The women pictured at left were honored for their achievements in leadership and community service at the Tenth Anniversary Celebration of Avila's Women's Leadership Institute on Thursday, October 27, 1988. More than 300 attended the event which celebrated the contributions and accomplishments of WLI and its 550 graduates. Keynote speaker for the occasion was Dr. Johnnetta Cole, president of Spelman College, Atlanta, Georgia. Dr. Cole received WLI's "Woman of the Decade Award". WDAF-TV/Channel 4 anchor woman Cynthia Smith, winner of WLI's "Community Service Award", was honored for her activities on behalf of children.

Corporate sponsor for the event was Dillard's Department Store. WDAF-TV Channel 4 was the media sponsor. Pictured at left are, seated: Jody Edgerton, Susie Haake, Carol Meyer, and Cheryl Collins; standing: Jacqueline McGee, Freda Mendez-Smith, Janice Kreamer, Esther Wolf, and Janet Brown Moss; Not pictured: Joyce Wallace.

## Avila Intercollegiate Sports: An Exciting Season Ahead

The Avila sports program is running strong this year with team spirit at an all-time high.

The men's soccer team was, again, under the direction of six-year coaching veteran Scott Royal-Ferris. Despite several injuries and a much younger team this year, the Avalanche compiled a 11-7-3 record. Coach Royal-Ferris said, "Although we continually outplayed our opponents we just couldn't connect on goal." Avila's soccer players took part in the district playoffs this year, but lost to Park College 1-0.

Women's volleyball coach, Joan Ice, has concluded her third year as an Avila coach. The Lady Avalanche narrowly missed district playoffs this year. They can be very proud of their 25-17 record.

Bill Wiesbrook, Avila's new assistant athletic director and men's basketball coach, will direct a team of fourteen, with eight new players this year. This young team will face a challenging twenty-eight game schedule this season. "Our players are very dedicated and hard-working," says Coach

Wiesbrook. "It will eventually pay off for our team, our school and our fans."

Coach Buddy Soloff reports that every women's basketball player from last season has returned. In addition, he has recruited a number of excellent freshmen. He feels that this team has more depth and experience. Both the coach and the players are very excited and feel that they have a real shot at taking the team to the district playoffs for the first time in ten years.

When the umpire yells "Play ball!" this spring, Avila will be ready. For the first time, Avila will compete in men's baseball and women's softball. The men's team will be coached by Dr. David Klein. Coach Joan Ice will lead the women's softball team.

The enthusiasm of the players, the leadership of the coaches and the support of the fans promise to make this a strong year for Avila intercollegiate sports.
